

Nurse Licensure Compact Agreement Change

Effective July 31, 2013, a nurse who changes primary state of residence to Iowa may practice in the new declared state (Iowa) on the privilege to practice granted by the former state license for a period of up to ninety (90) days from the time the new state of residence is established.

Establishment of a new state of residence is evidenced by completion of a Declaration of Primary State of Residency form.

One or more of the following documents may be requested to verify primary state of residence:

1. Drivers license with a home address;
2. Voter registration card displaying a home address;
3. Federal income tax return declaring the primary state of residence;
4. Military Form No. 2058 – state of legal residence certificate; or
5. W2 from U.S. Government or any bureau, division, or agency thereof, indicating the declared state of residence.
